

Below is a list of your PNJA final exam topics. We will also use them as your second presentation topics

Since the number of bullet points below is greater than the number of people attending our classes so far, I've formed 10 sets. Each of you will be responsible for preparing one set and so get involved in working on a number of topics. Make up your mind and I'll have your chosen sets and dates next time we meet.

I. Current affairs	Set
• Industrialization	1
• Urbanization	2
• Globalization	3
• genetic engineering	4
• computerization	5
• consumerism	6
